ed attention to the activity of Mr. Moore in upholding the doctrines of the republican party, declaring that the Pennsylvanian "outpayned Payne of New York," the author of the present tariff law. Mr. Underwood lined up the democrats in opposition to the proposed amendment. As the session proceeded amendments voy in the same spirit in which he was began pouring in again from the sent. I cannot minority side, but Mr. Underwood, with at my reception. his large majority well in hand, defeated them one after another.

Moore Turns the Tables.

Representative Moore turned tables when he borrowed the demothe foster-mothers of the trusts, and shook his finger at his democratic t murder if we kill our neighbor, but colleague, A. Mitchell Palmer, declaring that the ferromanganese paragraph sess and transfer land "in the manner in the metal schedule of the tariff bill and to the extent and for the purposes ing that the ferromanganese paragraph Miss MacKinney, in her address, jold is framed purely and simply for the of how the Kindergarten Union was benefit of the steel trust.

> metal schedule, on that account. "I am a protectionist," shouted Moore, "but I cannot stand here without a protest and see this product protected twice as strongly under this democratic bill, and all for the benefit of the steel

Whereupon Mr. Palmer, shaking hi head scornfully, as is his wonted custom before making a stinging reply, declared:
"Ah, I blush for my native state."

"Duty for Revenue Only."

He went on to explain that ferro man ganese is one of the two articles in the bill on which duties have been raised, the others being gold and silver ware, as he explained. This duty was put on for revenue only, and not to protect any one. Judge Greene of Iowa, a republican member of the ways and means committee, informed the democrats that they could neither be fair nor accurate, and that they had trouble with mathematics. statistics, facts and figures, and that outside of these few defects they were capable of handling a tariff bill. His aspersions on democratic statistics grew from a conviction that the democrats were handing out "padded stuff," and that necessarily have greatly emphasized, will some entirely different industry. "That's about as correct as we could expect from you," remarked Representative Underwood, without

DETECTIVES ON EXHIBITION. Convicts Unable to Identify Any of

Them as Grafters. SAN FRANCISCO, April 30.-It was with openly manifested resentment that fifty detectives lined up yesterday to be inspected by five San Quentin convicts and three convicted members of the Italian bunco gang. The seven criminals were marched along the four scowling lines of police officers. Not one identifica-

tion was made. The fifty detectives comprise all members of the department who have seen service in the Latin quarter, with the exception of eight officials under suspension. The inspection was ordered by Chief of Police White at the request of the grand

Motor Cyclist, Losing Control, Plunges Into Filtration Plant.

A. W. Wilson, twenty-three years old, residing at 1501 11th street northwest, Rev. Alexander Willbanks, pastor of had a narrow escape from instant death Friendship Baptist Church, whose name this morning, while riding a motor cycle appeared upon the records as the of-ficiating clergyman at the marriage of a William Braxton and a young woman diers' Home grounds. He was on his way in South Washington a year ago, was out of the grounds and was near the gate when he lost control of the fast-

ried—a young man.

When Assistant United States Attorney
Given was told of the mistake he directed the release of Braxton. Then Parit struck the ground. The motor cycle
did not stop, however, and when it
finally hit the bottom of the plant, a distance of about seventy feet from tho son Willbanks suggested to Braxton and pavement, it was demolished. The young man was able to get up and

limp away. He was assisted to a house
